# FALL BANQUET

Sunday, August 17th, 4-8 pm

*This year's banquet was such a blast! We had great games, amazing food, and so much energy in the room. I especially loved the bingo game and watching so many scouts step up to run for the LEC. The galaxy theme was awesome, and I can't wait to see what we come up with for next time!*

# Fall Ordeal #1

Camp Chesebrough (September 5-7)

This was my first time being an elangomat, and I had so much fun leading our fellow new arrowmen (Go Gold crew!). My group redid the sand on the volleyball court, helped chop wood and made a huge pack line to stack them all neatly. (lowkey took forever) The inductions team did an awesome in organizing everything!

# Chapter Reports

## *Lowanau Allangue Chapter* *Polaris district*

At this month's meeting, we had ice cream to welcome our new arrowmen. We played a few rounds of Blood on the Clocktower (highly recommend you try it out, it's really fun!) Additionally, we are getting closer to finalizing District Camporee plans, so look forward to that!

## *Hattape Chapter* *Pioneer District*

At our chapter meeting, we discussed games for our upcoming Pioneer Camporee and confirmed our theme as well so look out for that! We had a lot of attendance for the district BBQ and received our camp T-Shirts!

## Yakiski Shavax Chapter

### *Santa Lucia District*

This month, we had a great Chapter Fellowship where we went to a pinball arcade and played a ton of pinball. We had fun and look forward to planning more Chapter Fellowships in the future, possibly including one at our meeting next month—be on the lookout for it!

## *Tindeuchen Chapter*

### *Coyote-Creek District*

At our monthly meeting, we had some Pizza and discussed camporee themes as well as discussed how life in each troop is going. We managed to finalize our theme for the 2026 Coyote Creek Camporee (Going to announce soon). Finally, we had completed some planning for another bonding event that should be happening sometime soon, so **BE PREPARED** to join us.

# Fall Fellowship

Mt. Madonna County Park @ 7850 Pole Line Rd  
Watsonville, in the Manzanita Group site.

The 2025 Saklan lodge fall fellowship was the first overnight lodge fellowship in over 5 years, and it was a great success! Arrowmen enjoyed various activities from playing kickball, to watching a movie, to going on a hike and more! The Slugs giving feast was a highlight for many Arrowmen who attended, and they enjoyed tons of food, fellowship and fun throughout the whole event while playing card games and board games in between other activities. This fellowship will hopefully be the start of many overnight fellowships in the future with even more Arrowmen than this one!
